New Parsonage Voted by First Christian Church

The congregation of the First Christian Church last Sunday voted unanimously to build a new parsonage, announced the Rev. Cecil England, pastor.

The congregational vote followed the recommendation of both trustees and the Church board to sell the present parsonage, located at 1407 Cota avenue, and construct another in a different location.

Although no action was taken on the amount to be spent for the three-bedroom parsonage, Ray Peer and Ed Pletschke were selected to negotiate the sale of the present structure.

Final plans have been completed for the Mother and Daughter banquet which will be held in the church social hall at 6 p.m. this Friday.

The Executive Council of the church youth department will meet tonight at the parsonage to lay plans for youth activities, through the summer months, announced Mrs. Arthur Woodcock. The monthly meeting of the Church board will be held in the Church at 7:30 Monday, Charles Stock will preside.

FAMED EVANGELIST TO LECTURE HERE

LAW OF GOD

The letter of the law of God, separated from its spirit, tends to demoralize mortals, and must be corrected by a diviner sense of liberty and light. —Mary Baker Eddy

Pederson said that everyone is invited to hear Smith speak. The Church is located at 1207 El Prado.

Scientists Sunday Text to be 'Adam'

"Adam and Fallen Man" will be the subject of the Sunday Lesson-Sermon at the Torrance branch of The Mother Church, The First Church of Christ, Scientist, in Boston.

The Golden Text from 1 Corinthians reads, "As in Adam all die, even so in Christ shall all be made alive."

It is reported in Matthew's Gospel that a man came to Jesus "kneeling down to him, and saying, Lord, have mercy on my son: for he is lunatick, and sore vexed: . . . And I brought him to thy disciples, and they could not cure him. . . . And Jesus rebuked the devil; and he departed out of him: . . . Then came the disciples to Jesus apart, and said, Why could not we cast him out? And Jesus said unto them, Because of your unbelief: for verily I say unto you, If ye have faith as a grain of mustard seed, . . . nothing shall be impossible unto you. Howbeit this kind goeth not out by prayers and fasting."

Mary Baker Eddy writes in "Science and Health with Key to the Scriptures": "Stand porter at the door of thought. Admitting only such conclusions as you wish realized in bodily results, you will control yourself harmoniously." "Rise in the strength of Spirit to resist all that is unlike good."

Rise in Benefit Payments to Up State Outlay

Steady rise in the increased payments of benefits to the needy aged and blind will necessitate an expenditure of \$70,000,000 more throughout the state next fiscal year as compared to the present budget, the California Taxpayers Association predicted recently.

The association laid the blame for the upward spiraling of aged and blind payments to the operation of proposition four "with its loosening of eligibility requirements."

Los Angeles County will receive \$65,558,055 during the 1948-49 fiscal year for the blind and aged who need help, the association said. Of this sum \$32,118,899 comes from state payments, \$27,583,152 from federal contributions, and \$5,856,004 from county sources. Proposition, number four transferred the county share of the cost of these two aids to the state.

"Regardless of which level of government the cost it attached to, proposition number four at ready has increased the cost of aid to the aged and blind to the people of California by a net of \$20,000,000," the organization pointed out.
